Registration and continental breakfast will begin at 9:00 a.m. followed by a welcome from the College of Science Dean and a presentation by the Chair of Computer Science. Sessions begin at 10:00 a.m. Each workshop is scheduled to last for 1½ hours. Most workshops will be completely “hands-on” and will be limited to 20 students per workshop to allow each student to have computer access. Students will be able to attend two different workshops, one session in the morning and one in the afternoon.

If you plan to participate in the Web Development Competition, please indicate how many students you plan to have on each team. There is a maximum of 5 students per team and a maximum of 3 teams per school. Please attach a typed list of student names.
