Department of Computer Science

Stephen Hilt

Senior Threat Researcher, Forward Looking Threat Research Team (FTR)
SIU-C Graduate in Computer Science

From SIUC to BlackHat:
What does a CS degree from SIUC really get you?

Date: Monday, November 7, 2016
Time: 4:30 – 6:00 p.m.
Location: EGRA0111 Auditorium

Have you wondered what opportunities are available in the outside world with your degree in Computer Science?

Here's the chance to talk to an SIU CS graduate about his career as a researcher and hacker!

Stephen Hilt is a 2006 graduate from SIU with a Bachelor's degree in Computer Science. His talk will cover how he has applied the knowledge and skills learned at SIU-C to his career as a successful researcher and hacker. His work has been shown in TV shows such as Mr. Robot and CSI Cyber. Stephen is now a successful computer scientist who travels worldwide.

There will be a question and answer session at the end of Stephen's talk.

Please join your fellow CS students and find out what your future holds in the Computer Science field!
